presents

## The Importance of Tuning for Better Performance

Monday 6th May 2019 - Arrival 10.30 for 11am - 5pm

This unique seminar day organised by Hammerwood Park, supported by the Finchcocks Charity for Music Education and PIANOTEQ, aims to look importance tuning plays in the appreciation of musical performance, creativity in music and the ability of music to communicate.

The day will be hosted by tuning specialist David Pinnegar and will include presentations and demonstrations given by professional musicians who have experienced creative differences from tuning in different ways. These musicians include the international renowned pianist and Chopin expert Adolfo Barabino and a host of musicians with international performance and recording experience.

The day will include tea/coffee and refreshments, but will not include lunch. Please bring your own lunch.

Tickets for the day are £30 and include access to all presentations and performances.

For further information and ticket sales please contact Hammerwood Park on : 01342 850594
